

Select a Sponsor

Since benefit eligibility varies depending on sponsorship, beneficiaries are permitted to select and update a “preferred” Sponsor from a list of eligible Sponsors in their DS Logon ID Account.

Please note that the appearance of the screens shown here may vary based on the manner in which DS Logon is accessed; the procedure, however, remains the same.

1 From your DS Logon account page, click **Select Sponsor.**

2 Choose a **Sponsor** from the drop-down menu.

3 Click **Save.**
